

# Chamber Hosts 5th Annual “Tribute to Business”

## *Business Excellence Awards*

The Junior Achievement of East Tennessee will be the place to be on Friday, June 24, as the Anderson County Chamber of Commerce pays tribute to local businesses at the 5th Annual “Tribute to Business” event. Everyone is welcome to attend.

Guests will be treated to valet parking when they arrive at 6:00 p.m., social hour in the lobby, live music, silent and live auctions. Dinner will be served at 7:00 p.m. followed by our “Tribute to Business” award ceremony, honoring a diverse category of businesses. Our keynote speaker will be Senator Lamar Alexander.

Alexander, a seventh-generation Tennessean born and raised in Maryville, was twice elected governor of Tennessee. He was first elected to the Senate in 2002 and has been re-elected twice with his Republican colleagues electing him three times to be chairman of the Senate Republican Conference.

Today, Alexander chairs the Sen-

ate Health, Education, Labor and Pensions Committee, where he is working on legislation to bring safe drugs and medical devices to doctors’ offices and patients’ medicine cabinets more quickly. He is also chairman of the Senate Energy and Water Development Appropriations Subcommittee, where he works to boost funding for basic energy research and invest in our inland waterways and harbors. Previously he served as president of the University of Tennessee and as U.S. Secretary of Education under George H.W. Bush.

Lamar is a classical and country pianist and the author of seven books. He and his wife Honey have four children and eight grandchildren and a dog named Rufus.

Tribute awards will be a surprise this year as we announce the top three nominees in each category ahead of time and only reveal the winners at the event! Members are asked to nominate their favorite businesses in each

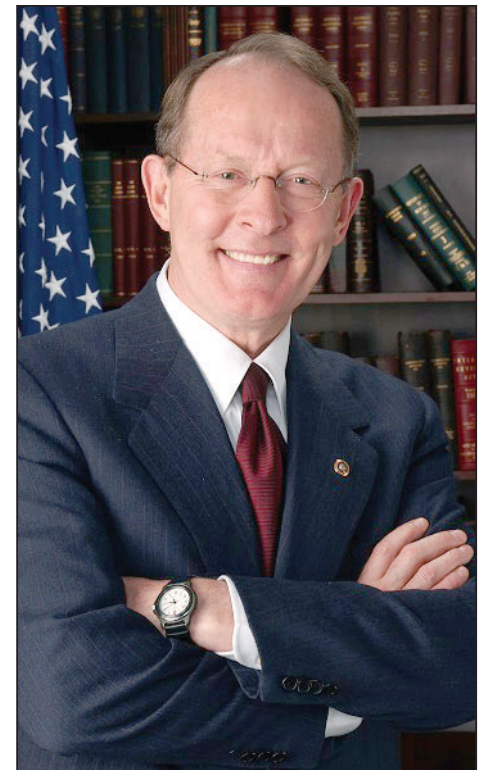

category.

Tickets are \$50 and Tables of 8 are \$350, and may be purchased at the Chamber Office or online at Chamber website, <http://tinyurl.com/znaqv98>.

This prestigious event has grown from a “great idea concept” to a “must attend event” for the Anderson County business community. The event will be held in an air-conditioned venue this year and guests will enjoy the small town atmosphere that is projected by the “BizTown” of Junior Achievement. Business dress is required.

Sponsors to Date – Gold: Allstate – The Erb Agency; Silver: LBMC, Michael Brady, Inc. and Thermocopy; Sponsorships for this prestigious event are available. For more information, please contact the Chamber office at 865-457-2559.

Anderson County Chamber of Commerce, “working for business since 1932”.

## Member Focus: **AirMedCare Network**

AirMedCare Network—The Best Thing to Happen on The Worst Day of Your Life. Time means everything, especially in a medical emergency. How many times have you read or heard a story of someone who is alive today as a result of quick and effective response to his or her medical emergency? Reducing the time to receive definitive care for any medical emergency can save lives. The Association of Air Medical Services estimates that there are nearly 400,000 rotor wing transports annually, with an additional 150,000 patients flown by fixed wing aircraft each year (US only). The participating providers of the AirMedCare Network provides air ambulance service that can help reduce time to the appropriate trauma center.

Benefits of Joining the AirMedCare Network include: no out of pocket expenses in connection with your flight; peace of

mind, so you can focus on recovery; over 220 aircraft locations; network extending out across 32 states; highly skilled nurses, medics and pilots ready 24 hours a day.

The Anderson County Chamber has been a large part of our success in Anderson County. It enables us to meet and get to know other businesses and individuals in a more personal setting. It is always easier to do business with someone you know that has the same interest in your county and it’s success as well as their own. We truly enjoy hearing stories and successes of businesses that are the result of the networking and training events the Chamber puts together each month. Everyone at the Chamber, from the staff, board members and other chamber members want to see you succeed and help Anderson County grow and prosper.

## Clinton Middle School wins CNS-sponsored Dream It. Do It. competition

OAK RIDGE, Tenn. – Anderson County Chamber's inaugural "Dream It. Do It." competition exceeded expectations said Chamber officials, as four Anderson County middle school teams, working with local businesses, created industrial videos that received more than 12,000 online votes.

At an awards ceremony at Roane State Community College's Oak Ridge campus, Clinton Middle School, which partnered with Eagle Bend Manufacturing, was announced the winning team. For their effort, the school received four Go Pro cameras, provided by Consolidated Nuclear Security, LLC (CNS) through corporate funds. CNS is the managing contractor at the Y 12 National Security Complex in Oak Ridge, and at the Pantex Plant in Amarillo, Texas.

"We are absolutely thrilled with the results of our pilot program," said Anderson County Chamber President Rick Meredith. "Our goal was to get kids excited about manufacturing and expose them to the idea that there are lots of job opportunities and even careers in manufacturing," said Meredith.

The Chamber, Anderson County Schools and CNS partnered to bring the program to Anderson County. Area industries quickly lined up to take part.

"For CNS, it's about the enduring global security mission that dates back to the Manhattan Project," said Jason Bohne, senior director of Communications and Public Affairs at CNS. "We will continue to need highly skilled workers for our mission. Getting kids at the middle school age to begin thinking about those kinds of careers helps us all in the future."

Meredith agreed. "There are many jobs in advanced manufacturing, and the initiative is an effort to acquaint students with these employment options. These are exciting jobs, and the kids get a firsthand look to see what actually goes on behind the scenes. We hope it gets them excited about these kinds of careers," he said.

The program involved putting eighth grade students in

adult settings. Equipped with Go Pro cameras, they got a first-hand look at a manufacturing world they might not have considered as a future career. CNS provided the students at Clinton, Lake City, Norris and Norwood middle schools with the cameras and the mission to capture the diversity of careers and technical innovations in manufacturing by producing a short video.

The Anderson Chamber of Commerce paired Magna / Eagle Bend Manufacturing, Inc.; AISIN Automotive Casting Tennessee; Eagle Bend Manufacturing, Inc.; SL America and Techmer PM with the schools and teachers for this experience.

The videos were available for online voting between April 27 and May 4. More than 12,000 votes were cast, and Clinton Middle school received the majority 6,672 votes.
