MEMBER SEMINAR The Benefits of Knowing the Value of Your Business

The Anderson County Chamber of Commerce welcomes Andrew K. Lowe, LBMC, who will present a seminar "The Benefits of Knowing the Value of Your Business" scheduled for Wednesday, April 27, from 11:30 to 1:00 p.m. at the Chamber office.

Lowe

Many business owners think that the only time they need to know the value of their business is right before they sell it. Unfortunately,

this line of thinking often leaves owners with less money in their pockets after the sale. Strategic planning with the Company's value in mind can pay huge dividends for owners.

Join us on April 27th as LBMC's Andrew K. Lowe discusses the "The Benefits of Knowing the Value of Your Business." Mr. Lowe serves as the head of the Valuation, Litigation & Business Transition Services Group in LBMC's Knoxville office. He is an Accredited Senior Appraiser with the American Society of Appraisers and a Master Analyst in Financial Forensics with the National Association of Valuators and Analysts.

Lunch will be provided by LBMC. Limited number of seats available. Reserve your space for this valuable presentation by Tuesday, April 26th. Call the Chamber at 865-457-2559 or email: acc@andersoncountychamber.org to reserve.

Free to Chamber members - \$10 for non-Chamber members.
