## Another Successful Festival

The 15th annual Clinch River Fall Festival held on October 9-10 was the largest in history with over 130 vendor spaces filled with antiques and incredible food. City officials estimate between 10,000-12,000 visitors enjoyed the Festival in downtown Clinton!

Even though dampened by early morning rain, true "antiquers" and attendees turned out for this unique Festival. By early afternoon it was a beautiful fall day in East Tennessee with a mixture of clouds, blue sky and comfortable temperatures.

Numerous vendors noted this was their best year yet. Local shops and eateries reported record sales for the entire weekend!

On Friday night, the Parrott Brothers lit up the stage with their unique sound in the park. New to Friday

night, the "Cruze-In" displayed over 40 muscle cars on Market Street. Downtown Clinton's unique stores and eateries were filled with shoppers who found one-of-a-kind items and scrumptious food.

On Saturday, various entertainers took the stage for lively and enjoyable entertainment. A couple visiting from the United Kingdom noted they would love to return every year to enjoy the festivities and listen to the music. Visitors included those from Memphis, Georgia, Indiana, Kentucky, North Carolina, Ohio, and even Ontario! One return vendor stated, "I look forward to not only selling my wares but a day in the quaint town of Clinton!"

Thank you to Heritage Sponsors: SunTrust Bank and Tennova Health-

There may have been a few gray clouds in the morning but it cleared into a beautiful fall day for antique shopping. A great crowd enjoyed the entertainment, great food and antique cars!

## Member Focus: Pizza Plus

Pizza Plus is a new addition to the business community in Andersonville! Based in Blountville this family-owned chain, which focuses on primarily on serving smaller communities, currently has locations in Southwest Virginia, Southern Kentucky and East Tennessee. According to the company's regional manager, Andy Morrison, they were attracted to the Andersonville area by both the number of residences in the surrounding neighborhoods and the high volume of daily traffic on Highway 61.

Founded in 1982 by Andy's father, Daniel Morrison, their enterprise has grown from a single restaurant near Bristol to a chain of 61 locations, with now the newest one in Andersonville. The staff and management have over 33 years of

business experience and expect to be an active participant in local community affairs.

Andy Morrison noted that Pizza Plus prides itself on incorporating fresh ingredients, especially vegetables which are prepared daily in each store and using only fresh, never frozen, handmade dough for its pizza crusts. The menu features a wide selection of pizza offerings with a variety of sides and toppings, an assortment of sandwiches and pasta items, and its renowned buffet which includes all-you-can-eat pizza, salad bar and drink. A specially priced Senior Menu is also offered.

Pizza Plus has been pleased with the welcoming attitude of the entire Anderson County community. Morrison offers his compliments to the Anderson County Chamber of Commerce's leadership and staff for their assistance with the restaurant's successful début.
