## Chamber Announces R.C. Hoskins Awards

The Anderson County Chamber of Commerce announced the two winners of the R.C. "Dudley" Hoskins Volunteer Awards at their 4th Annual "Tribute to Business" Dinner on June 5.

Amber Price, recipient, is the regional branch manager for Y-12 Federal Credit Union on Layfayette in Oak Ridge. Amber is a Leadership Anderson County Graduate and has served on the Leadership Anderson County Board for three years. She is this year's Chairperson. Amber has been instrumental in nominating others at her company to enroll in the Leadership Program. During her class, she was a major participant in the class project which updated an area of the Thompson Cancer Center to provide a more comfortable atmosphere for patients. Community involvement is also very important to Amber and she has served on the East Anderson County Relay For Life board for several years, including efforts to move the event to Courthouse Square. She served as the 2015 Relay for Life Chair. Despite her busy schedule, she makes time to give back to the community.

Michael Ousley, recipient, is the owner of Edward Jones Financial – Michael Ousley. Michael has served on many Chamber Councils including Education/Workforce Council, Business Development Council and Government/Community Relations Council. He has been a Chamber Ambassador for three years

and spearheaded the Chamber's first Job Fair last fall. This spring, he again worked hard with the Education/Workforce Council to hold our 2nd Job Fair which had over 1100 applicants. Michael is a current member of the Leadership Anderson County class of 2016. His interest in the Chamber's future and Anderson County's future extends to his work with the Government Relations Council. He traveled to Nashville with the Council to follow up on Legislative Agenda items this spring. He shows his appreciation for his customers by giving back to the community.

The R.C. "Dudley" Hoskins Awards are given annually to an outstanding male and female for their contribution to the community through the Chamber and other organizations. This award is named for Mr. Hoskins, founder of Hoskins Drug Stores, and the Clinton Businessman's association that became the Clinton Chamber in 1932, and renamed the Anderson County Chamber of Commerce in 1984.

Daughters Dudley Bostic and Molly Scarbrough and their families still own and manage the drug store, a medical supply business, and a new gift shop on Market Street.

The Anderson County Chamber of Commerce – 'working for business since 1932', is located at 245 N. Main Street, Ste. 200, Clinton. For more information contact the Chamber at 865-457-2559 or visit: [www.andersoncountychamber.org](http://www.andersoncountychamber.org).

# MEMBER SEMINAR

## “The Five Behaviors of a Cohesive Team”

The Anderson County Chamber of Commerce welcomes Dr. Stacy Myers, Advanced Management, Inc. who will present a seminar, “The Five Behaviors of a Cohesive Team” model, based on Patrick Lencioni’s NYT best seller the Five Dysfunctions of a Team, scheduled for Wednesday, July 15, 11:30 a.m. – 1:00 p.m. at the Chamber office.

The model is used to help team members learn to work together more efficiently and effectively and become a more cohesive team. A productive high-functioning team:

- Makes better, faster decisions
- Taps into the skills and opinions of all members
- Avoids wasting time and energy on politics, confusion, and destructive conflict
- Avoids wasting time talking about the wrong issues and revisiting the same topics over and over again because of a lack of buy-in
- Creates a competitive advantage
- Is more fun to be on

This program will create a learning experience that helps individuals and organizations reveal what it takes to build a truly cohesive and effective team in the most approachable, competent, and effective way possible. Focusing on trust, conflict, commitment, accountability and results, the assessment and accompanying program can take your

Dr. Stacy Myers

intact work teams to the next level.

This preview of the program will explore the various components of the model and explain how participants can gain access to this remarkable tool.

Stacy Myers founded Advanced Management, Inc. in 1988 and is President of the company. He has served as a consultant and/or facilitator to over a hundred of the Fortune 500 companies.

He is very active professionally in the American Society for Training & Development and the Society for Human Resources Management. He is a native of Sparta (White County), Tennessee and is married to Patricia Myers. He has two daughters (Amy & Kristin) and two grandsons (Zachary & Elijah).

Free to Chamber members - \$10 for non-Chamber members.

# Ambassador of the Year Samantha Watson

With the revitalization of the Chamber Ambassador program, the "Ambassador of the Year" Award was re-introduced at the Chamber's annual Tribute to Business on June 5.

This year's winner is Samantha Watson, Occupational Health professional at McNeely Family Physicians in Clinton. Samantha Watson is the perfect picture of an Ambassador from attending monthly meetings, to making calls to members, attending and

serving at 90% of Chamber events. Samantha always has a smile on her face and is always asking, "What can I do to help?" and, "I will work wherever you need me."

Recently when Norm Nelson, our Membership Development Executive learned of a need for the state to present workman's comp changes to doctors, Samantha was instrumental in giving input and beneficial information as to the need for this type of

information. Consequently, we put together a Physicians Forum to get the state and local doctors together.

Samantha has won, through her service, the Ambassador of the Quarter four times in her year and a half as an ambassador. We are blessed to have her as an Ambassador and as a Chamber member. Thank you for all you do, Samantha! This award is well deserved!
