The Leadership Anderson County Advisory Board has designed a course curriculum to develop emerging leaders, while simultaneously promoting the importance and strengths of our community.

This program promotes leadership development, facilitates networking with other professionals in the community, and allows an opportunity for community service throughout the year.

Local business leaders, public officials, and individuals in the Anderson County community are all invited to apply to the program

- Engage participants in leadership development that promotes leadership and interpersonal skills
- Learn how the dynamics of local business as well as city, county, and state governments impact economic and community development
- Introduce participants to business leaders and elected officials who influence the private and public sectors
- Stimulate a desire to participate in boards, organizations, and activities that improve the community
